~~I am pleased to acknowledge your contribution of \$1000 to the *Seats 4 Kids* Scholarship Fund at Wharton Center. Your gift will assist economically-disadvantaged youth from a pre-approved list of youth organizations. These young people, who could not otherwise afford to attend an event at Wharton Center, will experience the magic of live performing arts, in many cases for the first time.~~

In recognition of your generosity, you will be acknowledged in Wharton Center's house program book, *Curtain Call*, for the season in which your tax-deductible donation occurs, beginning with the 2006-07 season. You will also receive a season subscription to the *Backstage* newsletter and an invitation to the annual donor appreciation concert held at the Great Cobb Hall. Additionally, you will receive advance announcements of special attractions coming to Wharton Center. It is important to note that your purchase of tickets through *Seats 4 Kids* does not qualify you for Wharton Center seating priority.

Through your generous thought and contribution, our youth, community, and Center are enriched. We very much appreciate your kind consideration in providing this gift. The tickets purchased through your donation will undoubtedly ignite a number of passions and interests in our community's youth and allow for future growth of Wharton Center and the performing arts.

Sincerely,

Mike Brand
Executive Director
